Fort Hays State University

Office of the President

600 Park Street

Hays, Kansas 67601-4099

August 4, 1995

Mr. Gary Sebelius
223 Greenwood
Topeka, KS 66606

Dear Gary:

I am looking forward to your presence at the dedication ceremonies of our new physical sciences building, Jerry Tomanek Hall, and Keith Sebelius Lobby, on August 26. We are so pleased that you can be with us. Keith was a very influential figure and a real champion for western Kansas and we welcome the opportunity to recognize him and the Sebelius family and have you and your brother, Doug, give a response at the ceremony.

As your invitation indicates, breakfast is at 9:00 a.m. at the Memorial Union. Parking is available west of the Union. At 10:10 a.m. we will leave the Union and walk over to the dedication site. You will be seated on the platform with your mother and brother and after I make some remarks about Keith and his contributions, I would like for you and Doug to give a brief 3-5 minute response. A copy of the program is enclosed to give you a sense of what will take place. If you have any questions, please feel free to call my assistant, Sandy Rupp, at (913) 628-4232. There will be reserved seating in front of the platform for your family.

Thank you for your family's commitment to being with us on this important day for Fort Hays State University, the state of Kansas and the future of science for our nation. We greatly appreciate your interest in the University and the help you have provided. We are anxious to see you on the 26th. Let us know if you have need for any special arrangements or additional information.

Sincerely yours,

Edward H. Hammond
President

jkc

Enclosure
