Director of Architectural Services Division
State Office Building
Topeka, KS 66612

Dear Mr. Krueger:

We were authorized last week by the Board of Regents to request the appointment of an associate architect for our new classroom building. I would like to suggest Mr. Earl Bozeman as our authorized representative on your committee for the selection of the architect. Mr. Bozeman is most familiar with every aspect of the new classroom building and should be a valuable member of your committee.

Under separate cover we are sending you a large box containing six copies of the program for the classroom building. If you do not receive this within the next two or three days, we would appreciate a phone call since we are anxious for this to proceed without delay.

Thank you very much.

Sincerely,

G. W. Tomanek
President
