Mr. George E. Emrich
The Shaver Partnership
205½ South Santa Fe
Salina, Kansas 67401

Dear Mr. Emrich:

Your letter of November 12th, to Dr. Gerald W. Tomanek, President of Fort Hays Kansas State College, Has been forwarded to my office for this reply to your request to visit with us concerning our new Classroom-Office Building Project.

We appreciate your offer to meet in my office to present the qualifications of your firm as related to educational buildings similar in nature to our project.

Please provide us with a brochure when you visit us, and present any other material that I can keep in my files for reference at a later date, should your firm be one of the firms recommended for consideration for appointment as the Associate Architect for our project.

Please ask your secretary to call my office to arrange a time that will be suitable to our schedules.

Over the past twenty years, I have met several members of the Shaver firms, and I look forward to renewing acquaintances, discussing our project with you and learning of the projects for which your firm provided Architectural services.

Sincerely yours,

A handwritten signature in dark ink, appearing to read "Earl G. Bozeman".

Earl G. Bozeman, AIA
Director of Planning
