Mr. Louis Krueger, Director

Dear Mr. Krueger:

The following is a minute passed by the Board of Regents in regular meeting on September 17, 1976:

It was moved by Mr. Bubb and seconded by Mr. Montgomery upon the recommendation of President G. W. Tomanek, the Building Committee of the Board of Regents concurring, that the architectural program for the Classroom and Office Building at Fort Hays Kansas State College be approved; and that the Board of Regents request the Director of Architectural Services to appoint an Associate Architect, in accordance with procedures established by the 1974 Legislature, to prepare preliminary plans for the building.

We request that you appoint as soon as possible an associate architect to go forward on this project.

Sincerely,
