PRESIDENT'S OFFICE

The Honorable Gus Bogina  
Senator, State of Kansas  
Room 120-S, Statehouse  
Topeka, Kansas 66612

Dear Senator Bogina:

The Board of Regents supports the use of federal funds for preliminary planning for a new physical sciences building at Fort Hays State University limited to \$250,000 for FY 1992 and limited only to preliminary planning. This does not include the commencement of site-work or construction activities such as relocating the existing tennis courts that are now on the proposed site for the new building.

Thank you for your great support for higher education in Kansas.

Sincerely,

  
Warren Corman
