PRESIDENT'S OFFICE  
FHSU

Dear President Hammond:

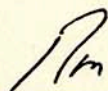

As Executive Director of the Fort Hays State University Alumni Association, I would be remiss if I didn't convey to you the feelings of a number of our alumni.

This regards recognizing the long tenure and international reputation of President Emeritus Jerry Tomanek by naming a building for him. The feeling seems to be that the Physical Science Building would be especially appropriate and timely.

As always, I am obliged to let you know what our alumni are thinking in my daily contacts with them.

They will appreciate your consideration of their request.

Sincerely,

Ron Pflughoft  
Executive Director  
Alumni/Governmental Relations
