April 7, 1993

Dr. James Dawson
Campus

Dear Jim:

A historical event will take place on Friday, May 7, 1993, on the Fort Hays State University campus. At 1:30 p.m. we are breaking ground, marking the beginning of construction of the new Physical Sciences Building. This is a \$12 million project funded through both federal and state funds and completion date is set for the summer of 1995.

We are hosting a luncheon buffet at 12:00 p.m. in the Stouffer Lounge, Memorial Union. At 1:00 p.m. we will proceed to the site of the new building behind Forsyth Library at the tennis courts for the groundbreaking. In case of inclement weather, the ceremony will be held in the Black and Gold Room of the Union.

We hope you can help us celebrate this important milestone for the university. If you are planning on joining us for lunch at 12:00 p.m., please RSVP to Brenda at 913-628-4232 by April 30. We look forward to seeing you.

Sincerely yours,

Edward H. Hammond
President
