STATE OF KANSAS

SHEILA FRAHM
LIEUTENANT GOVERNOR

August 26, 1995

Dr. Ed Hammond, President
Fort Hays State University
600 Park Street
Hays, KS 67601

Dear Dr. Hammond:

Thank you for sharing my remarks with those attending the Tomanek Hall dedication.

"Today we have an opportunity to honor two very deserving men with the dedication of the Jerry Tomanek Hall and the Keith G. Sebelius Lobby. This building stands as a reminder of the many contributions these men have made to Fort Hays State University and the state of Kansas over the years. I am sorry my schedule does not allow me to be with you today on this special occasion.

Tomanek Hall, in its role as the Physical Science Building for Fort Hays State University, will serve the students and the state well as we continue in the ever changing field of high technology. Fort Hays will continue to take the lead in shaping the lives of the future leaders of Kansas. It will serve its mission well if our future leaders provide the same dedication to service that Dr. Tomanek and the late Congressman Sebelius have shown. It is important the university be able to provide the education and technology necessary for our graduates to compete in a global economy. The addition of Tomanek Hall to the campus of Fort Hays State University will greatly enhance the universities' ability to serve the needs of its students well into the future.

I value the opportunity to join the families and friends of Dr. Tomanek and the late Congressman Sebelius in their pride at the dedication of this fine building in their honor."

Sincerely,

A handwritten signature in cursive script, reading "Sheila Frahm", written over a large, stylized flourish.

Sheila Frahm
Lt. Governor
