The meeting was called to order by the chairman, E. R. McCartney.

The first business of the Senate was to get the reaction and thinking of the members on the material for the catalogue under the headings:

- A. Objectives of Fort Hays Kansas State College
- B. Liberal and Applied Arts Functions
- C. General Education.

At the last meeting of the Faculty Senate, Dean McCartney was asked to do some editing of this material and present it on February 26. In response to this request the material was presented and the Senate studied each paragraph and made a number of suggestions which are included in the proposed material for the catalogue attached to these minutes.

Freshman Orientation Program.

The second consideration of the Senate was the Freshman Orientation program presented by the sub-committee on Orientation--advising and Counseling.

The proposed general outline of the program for freshmen for the fall of 1953 was read. The Senate suggested that the exemption examinations be placed earlier in the program to allow the results of the tests to be in the hands of the advisers when the students are counselled by the adviser. It was the consensus of the Senate that the material should be returned to the sub-committee for revision and correlation with the enrollment procedure for upper classmen.
