This Minutes is brought to you for free and open access by FHSU Scholars Repository. It has been accepted for inclusion in Faculty Senate by an authorized administrator of FHSU Scholars Repository.

Applications for new courses approved for:

Music: 158. Advanced Keyboard Skills I, 2 cr. hrs.
" 159. Advanced Keyboard Skills II, 2 cr. hrs.
Industrial Arts: 11. General Plastics, 3 cr. hrs.
" " 12. Advanced General Plastics, 2 cr. hrs.
HPER: 84. Coaching of Wrestling, 2 cr. hrs.
History and Literature: 133. The Modern Tradition, 3 cr. hrs.
Home Economics: 14. School Lunch Workshop, 2 cr. hrs.

Discussion: School Calendar (Present thru 1972-73; re: Fac. Orientation, enrollment, exams, Commencement.)

Minutes of the meeting of the Faculty Senate, Monday, November 6, 1967, at 3:30 p.m. in the Office of the Dean of the Faculty.

Members Present: Mr. Bachkora, Mr. Schroder, Dr. Thomas, Mrs. Popp, Mrs. McFarland, Dr. Wilkins, Miss Gangwer, Dr. Witten, Mr. Heil, Mr. Dalton and Dr. Garwood, Chairman.

Members Absent: Dr. Hamilton and Mr. Smith.

Also Present: Mr. Kellerman, Dr. Verna Parish, Dr. Leo Oliva and Miss Alice Beesley.

The meeting was called to order by Dr. Garwood, Chairman.

Dr. Garwood stated the remaining new course proposals would be considered at today's meeting. Copies of the proposals were sent to Senate members before the Senate meeting.

New Course. Music. The following courses were explained by Dr. Wilkins to the Senate:

158. Advanced Keyboard Skills I, 2 cr. hrs. Development of ability in score reading, clef reading, transposition, melodic harmonization, chord improvisation at the keyboard. Score reading is limited to chamber ensemble and choral music. Prerequisites: Upper division or graduate standing, successful completion of Piano 10 or four semesters of Group Piano.

159. Advanced Keyboard Skills II, 2 cr. hrs. Development of ability in score reading, clef reading, transposition, melodic harmonization, chord improvisation at the keyboard. Score reading includes works for band and orchestra. Prerequisite: Advanced Keyboard Skills I.

The Music Division had received reports the students in Music were not well prepared in this area. These courses will fill a gap which has existed. Staff is available to teach them.

RECOMMENDATION: It was moved by Mr. Bachkora that course 158 Advanced Keyboard Skills I, 2 cr. hrs., and course 159 Advanced Keyboard Skills II, 2 cr. hrs., as described above, be approved. Motion seconded. Motion carried.

New Course. Industrial Arts. The following courses were explained by Mr. Bachkora to the Senate:

11. General Plastics. 3 cr. hrs. Projects, lectures and assigned reading in shaping, heat forming, casting, fiber glassing and laminations.
12. Advanced General Plastics. 2 cr. hrs. This course will serve as an advanced course in the various phases of plastics.

Mr. Bachkora stated students need courses in six areas in industrial arts. Only five areas are offered now. Mr. Bachkora will be the instructor in plastics if no other instructor is available. Mr. Bachkora estimated that by 1977, 70% of all furniture will be made of plastic. Half of aircraft material is made of plastic.

Since there will be no additional positions in that Division next year, Mr. Bachkora will teach the course. He has adequate background in the area. Mr. Bachkora stated there were vacuum and pressure form^s of plastics; casting and fiber glass as well as machine plastics but that no more courses will be added this year as there are not sufficient instructors.

RECOMMENDATION: It was moved by Dr. Wilkins that course 11 General Plastics, 3 cr. hrs., and course 12 Advanced General Plastics, 2 cr. hrs., as described above, be approved. Motion seconded. Motion carried.

New Course. A Physical Education course was explained by Mrs. Popp to the Senate:

84. Coaching of Wrestling. 2 cr. hrs. Developing the theory and technique of coaching interscholastic wrestling, including areas of conditioning, rules, weight reduction and various styles of individual wrestling moves and holds.

Mrs. Popp noted that the courses Coaching of Basketball, Coaching of Football, and Coaching of Track and Field were required of majors. The Division would like to add a Wrestling course because of the demand in the State for wrestling coaches. Mrs. Popp stated that teachers have to do a dual type of coaching and wrestling is many times required. There is a special interest in wrestling since schools have become unified. The question was raised about coaching of golf and tennis. Mrs. Popp stated the schedule would be too full for the present P. E. instructors to offer all these courses.

RECOMMENDATION: It was moved by Mr. Bachkora that course 84 Coaching of Wrestling, 2 cr. hrs., as described above, be approved. Motion seconded. Motion carried.

New Course. History and Literature. The following course was explained by Dr. Parish and Dr. Oliva to the Senate:

133. The Modern Tradition, 3 cr. hrs. This is an interdisciplinary course in the humanities dealing with the writings of those creative minds of the 19th and 20th centuries who have played major roles in the shaping of the intellectual milieu of our age. Readings are organized around particular issues and problems which are treated from a variety of viewpoints by at least two instructors from different disciplines. Freud, Nietzsche, Hegel, Yeats, Elliot, Dostoevsky, Shaw, Darwin, Tillich, Marx, and Heisenberg are but a few

of the minds explored in this course.

The course will be listed under both History and Literature. It will be team-taught by both Divisions. The course will be taught by lectures and discussion. The course is philosophical in nature. Written papers will be required. This is an elective course for Juniors, seniors and graduate students.

There was considerable discussion about the title of this course. Dr. Parish and Dr. Oliva agreed the course could have a better title. The course would cover ideas of the 19th and 20th centuries. The course could be put on a Pass/Fail basis. The course could be offered in the Spring of 1969.

RECOMMENDATION: It was moved by Mrs. Popp that course 133 The Modern Tradition, 3 cr. hrs., as described above, be approved. Motion seconded. Motion carried.

New Course. Home Economics. The following course was explained by

Miss Beesley to the Senate:

14. School Lunch Workshop, 2 cr. hrs. Prerequisite 11. This course will include planning and equipping school lunch kitchens, advanced personnel management, advanced purchasing, finance management, writing of specifications and buying by bid.

It was noted that 10 School Lunch Workshop, 2 cr. hrs., and 11 School Lunch Workshop, 2 cr. hrs., were in the Catalog and were 2-week Workshops offered in the summer. Miss Beesley noted that courses 10 and 11 should be taken before course 14. This course is intended for people who might become lunchroom supervisors in unified school districts. Mrs. Newbery is the instructor in the

- Page 5 -

summer workshops. The course is also for school lunchroom cooks and managers of school lunch programs. It is not necessary to have a high school diploma to take this course but a diploma is necessary if the course is for credit. Miss Beesley noted this course has improved the status of the school lunchroom program.

This course may be taken by homemakers and non-professional people. Miss Beesley noted that course 10 was limited to 40 and 40 were enrolled in the course. In course 11, 33 of the original attended the second course. The area does not plan to have any more advanced courses. Because of Federal assistance, text books may not be necessary. Miss Beesley stated six students did not get credit in Home Economics 11 because they lacked a high school diploma. Some take the course for experience only. Credit applies toward a degree. It was noted Wisconsin gives courses for school lunch programs. Not many states do this. Many schools pay the fees for cooks to take this course.

RECOMMENDATION: It was moved by Mr. Bachkora that course 14 School Lunch Workshop, 2 cr. hrs., as described above, be approved. Motion seconded. Motion carried.

SCHOOL CALENDAR. Dr. Garwood distributed the College Calendar to the Senate members. This Calendar covers the present school year through the school year 1972-73.

Dr. Garwood stated that in the past, Faculty Orientation took place on the first Tuesday following Labor Day. Next year Faculty Orientation will be on

Friday, Sept. 6, and enrollment will be on Monday, Tuesday and Wednesday, Sept. 9, 10 and 11. Semester examinations in January, 1968, will be on Thursday, Friday, Monday, Tuesday and Wednesday, January 18, 19, 22, 23, and 24. The following year, the examinations are scheduled Monday through Friday. Spring enrollment will take place the following Wednesday, Thursday and Friday to allow sufficient time to process grades. Spring vacation is at the end of the first nine weeks. Examinations in Spring begin on Monday through Friday and Commencement would take place on Friday evening of the examinations. This means no one will take final examinations after Commencement. Seniors take final examinations. Baccalaureate takes place on Sunday; Commencement the following Friday evening.

If July 4 is on Friday, we have a three-day weekend; if on Thursday, there would be a four-day weekend - Thursday through Sunday. If the holiday falls on Tuesday, there would be a four day weekend - Saturday, Sunday, Monday and Tuesday. Commencement in summer will be on a Friday also.

Dr. Garwood pointed out that there are 85 - 90 days of classes which include the week of examinations and days of enrollment. Accrediting agencies consider the number of days of school per semester.

There had been objection to having final examinations after Commencement. The question was raised if spring vacation, Thanksgiving and Christmas vacations could not be correlated with vacations of the local public schools. The schools try to work together, the public schools generally attempt to schedule the same vacation periods as the College.

This calendar makes for a later summer school which should take care of teachers whose schools close late. Enrollment in the summer will be on Wednesday and Thursday with classes starting on Friday.

The Faculty Senate will meet on Monday, November 13, at which time the Pass/Fail System will be discussed.

The meeting adjourned at 4:25 p. m.

John D. Garwood, Chairman

Lucille Drees, Recorder
