ANNOUNCEMENTS

1. Dr. Beougher stated that there is a proposal before the Board of Regents to merge the Kansas Technical Institute with Kansas State University. A committee has been appointed to study the situation and will report to the Board at the Regents May meeting.
2. Another committee is studying the possibility of developing a regional veterinarian medicine school with Kansas State University and the University of Nebraska.
3. The laboratory school on the campus of Emporia State University will now be operated as a public school under the jurisdiction of the unified school district of Emporia.
4. Pittsburg State University is entering into an agreement with a school in Taiwan for the exchange of faculty, students and scholars.

5. A summary of several national reports on higher education was made to the Board of Regents at the March meeting, by a Regents staff member. The Regents have requested a response from each institution in the Regents system. Dr. Murphy will respond for FHSU at the Regents' April meeting. His response will indicate the type of educational opportunities at FHSU, with respect to general education, major courses of studies, etc.
6. Dr. Beougher announced that funds are going to be made available from the federal government for the training of mathematics and science teachers. States can make application for the funds. The Board of Regents staff will apply for the funds which may amount to one quarter of a million dollars.
7. The Program Discontinuance Policy has been accepted by the Board of Regents.
8. Dr. Beougher will be appointing a nominating committee for Faculty Senate officers for next year. Dr. Beougher asked that faculty members who are invited to run for office, give serious consideration to this opportunity.

COMMITTEE REPORTS

Academic Affairs - Dr. Mark Giese, Chair

No report.

Bylaws and Standing Rules - Dr. Zoran Stevanov, Chair

Dr. Stevanov asked members of the Senate to remind their Departments to elect new faculty senate representatives if they have not already done so.

Student Affairs - Dr. Tom Kerns, Chair

No report.

University Affairs - Dr. Frank Potter, Chair

Dr. Potter discussed the history of the Faculty Salary Study. Copies of the Report of President's Unclassified Salary Study were distributed to the members of the Faculty Senate. Dr. Potter announced that the study would be conducted next year as well.

Dr. Beougher stated that the data on page 3 of Appendix C was for 1982-1983, and the data on page 4 was for 1983-1984.

There was brief general discussion on the Report and some clarifications. Incorrect grammatical structure in the Report was noted in several instances. Dr. Rickman expressed his concern about the lack of data analysis. He also stated that the recommendations in the Report did not seem to be stated as actual recommendations. He made the recommendation that the Report include more detailed data analysis and discussion of the findings and interpretations.

Dr. Beougher reviewed the concerns of the President with last year's Salary Study, and pointed out how this year's study has addressed those concerns.

Dr. Currier asked if promotional raises added to the base salary was a campus-wide policy. It was explained that promotional raises were granted at the school level.

- M1 Dr. Ratzlaff moved to ask Dr. Beougher to request a meeting of the Faculty Senate Executive Committee with Dr. Tomanek (and other selected individuals) for the purpose of determining the differential allocation amount and to discuss the Salary Study Report in general. The motion was seconded by Dr. Heil. Dr. Potter pointed out that the Salary Study Report was not a report from the Faculty Senate, but was a report from Dr. Murphy's Salary Study Committee. The motion passed unanimously.

OLD BUSINESS

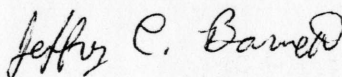

None.

NEW BUSINESS

None.

Dr. Heil made a motion to adjourn. The motion was seconded and passed unanimously. The meeting was adjourned at 4:19 p.m.

Respectfully submitted,

Jeffrey C. Barnett
Faculty Senate Secretary
